What's new?

When will this take place?

This change takes place April 1, 2003.

*How do I find a
chiropractor?*

You may go to any chiropractor on this list. New chiropractors are being added each week. You can call CRG customer service toll free if you need help finding a chiropractor. 1 (866) 281-1997.

Do I need a referral?

You do not need a referral to receive chiropractic care.

*What services
are covered?*

SCHA will pay only for those services covered by the State of Minnesota Medical Assistance or General Assistance Medical Care Programs. These are: (1) Manual manipulation of the spine. (2) X-rays when needed to get a diagnosis of subluxation of the spine.
