

This Fall

Join us at Cabela's

as Clinical Resource Group and South Country Health Alliance present:

Chiropractic Update: Fall 2006

Diagnostic Imaging of Extremity Disorders & Professional Boundaries

Presenter: Dr. Vinton L. Albers, D.A.C.B.R., F.C.C.R. (C) C.C.S.P.
Consulting Radiologist with Radiology & Imaging Consultants, P.A.

Program Overview:

- 12:30-1:00 pm:** Sandwich & salad bar lunch will be served, courtesy of South Country Health Alliance.
- CRG and SCHA representatives will be available throughout the afternoon to discuss any matters or answer questions concerning SCHA programs.
- 1:00-4:00 pm.** **Diagnostic Imaging of Extremity Disorders:** A case-based review of extremity disorders with emphasis on the shoulder, knee, and hip. This program will provide current, practical information that will enhance the knowledge and skills of the chiropractor in the evaluation and treatment of extremity disorders. The latest research and clinical information on the evaluation and treatment of these conditions will be presented.
- 4:00-5:00 pm.** **Professional Boundaries:** An overview of the boundary issues affecting chiropractors.
- Review four cases where chiropractors violated or were accused of violating professional boundaries
 - Identify the risks of professional boundary violation
 - Ways chiropractors can avoid behavior that can lead to a boundary violation
 - Ways to reduce risks of boundary violations by your employees

Registration Deadline: Friday September 15th to guarantee your space at the seminar.
